

THE BIRTHPLACE

The Birthplace is a progressive, midwife-driven service.

- Birthing experiences are customized to patients' needs
- Single-room birthing suites
- Two birthing tubs
- Jacuzzi-type labor and water-birth tubs
- EMPOWER (Engaging Mothers for Positive Outcomes with Early Referral) program provides education, treatment and support to pregnant women affected with opioid use disorder.

CANCER CARE & INFUSION

Offers a multidisciplinary team of cancer specialists. Free transportation to D'Amour Cancer Center, for access to expert treatment including chemotherapy, radiation therapy, and surgery, backed by experience and research. Additional support services include yoga, Reiki, massage, mindful-based stress reduction and social work.

COMMUNITY BENEFITS

- In FY17, Baystate Franklin Medical Center invested \$2.7 million in the local community.

EDUCATION

- Partners with area colleges and universities to provide clinical hours for nursing students from Greenfield Community College, Holyoke Community College, UMass Amherst and Fitchburg State
- Training site for a Baystate Medical Center's emergency medicine, surgery, and obstetrics residents.
- Affiliated with UMMS-Baystate
